

Indigo Expat Classic

Premiums - individual policies

How should you use Indigo Expat Classic premiums to calculate your annual budget?

Step 1: first select your **currency** between CHF, USD and EURO (premiums / limits are expressed automatically in the same currency) and consider the corresponding pages

Step 2: which plan best fits to your needs between **Indigo Expat Classic 80, 90 ou 100?**

Step 3: would you like to add a **deductible** of 500 Euro / 700 USD / 550 CHF for « **out-patient benefits** » to reduce your premium?

Step 4: would you like to be covered for **maternity** / delivery expenses?

This option is available to couples and families, i.e. a spouse/partner must also be insured under the policy if the Maternity Plan is selected.

If you want to subscribe to this option, please consider premiums "WITH MATERNITY"

Otherwise, please consider premiums "WITHOUT MATERNITY"

Step 5: Please consider zone of coverage « **Worldwide excluding USA** »

Then, you have 3 options depending on your country of residence:

- You are resident in **China or Hong/Kong**
- You are resident in **Singapore**
- You are resident in any **Other country (excl. UK)**

Step 6: in the table, please select premiums according to the age of each member at the effective date of the contract

Step 7: if you want to opt for the option « **evacuation & repatriation** », please add the corresponding premium multiplied by the number of members

You calculated **your annual budget**.

Important notes:

- Our premiums are expressed in whole numbers (i.e. without any cents or pence etc.), so please note that payment frequency surcharge percentages may be slightly higher or lower than those stated.

- Payment charges are subject to the following administration surcharges: 0% for annual payment, 3% for half yearly payments, 4% for quarterly payments and 5% for monthly payments.

- If Insurance Premium Tax and other government levies apply, these will be stated on your invoice/payment details letter.

This document is not an invoice.
